

Registration for Sarasota County Tourist Development Tax

Information contained on this form is confidential.

Please note: You may not need to complete this form. The Sarasota County Tax Collector has entered into collection agreements with Airbnb, HomeAway/VRBO and TripAdvisor. If you are renting exclusively through one of these platforms, Tourist Development Tax is being collected and remitted on your behalf.

Complete this form if you are renting privately and/or using another third-party reservation system in addition to one of the platforms listed above. Once your registration form has been processed, you will receive your remittance forms. Tax payments are due on the first of the month following the month the tax was collected. A return form is delinquent if it is not received or postmarked by the 20th of the remittance month. A return form must be submitted even in no taxes were collected for the reporting period.
