FEE CHART FOR APPLICATION FOR FLORIDA TITLE

Vessel registration fees are computed based on the length of the vessel. The 12-month registration period for vessels begins the first day of the owner's birth month. Company-owned vessels use the month of June. To determine the number of months required (the maximum is 27 months), start with the month the vessel is being registered in Florida and count through the month PRIOR to the owner's birth month. Example: You are registering your vessel in November and your birth month is June; November through May is 7 months. New vessel purchases, start with month of the purchase date.
